WSCG 2017

25th International Conference on Computer Graphics, Visualization and Computer Vision

Plzen [Pilsen], Czech Republic

May 29 – June 2, 2017

<http://www.wscg.cz>

<http://www.wscg.eu>

Primavera Hotel and Congress Center, Plzen <http://www.primaverahotel.cz>

Keynote speaker

[Alexandru C. Telea](#): [Image-based information visualization
\(or how to unify SciVis and InfoVis\)](#)

Institute Johann Bernoulli, Univ. of Groningen, the Netherlands

Conference Co-Chairs

[Paul Bourke](#), University of Western Australia, Perth, Australia
[Vaclav Skala](#), University of West Bohemia, Plzen, Czech Republic

Important dates

Workshop or special session proposal	January 20, 2017 (Extended)
Paper abstract submission	February 5, 2017 (recommended)
Paper submission (formatted full text)	February 20, 2017 21:00 GMT (London, U.K.)
Acceptance decision	April 20, 2017
Final version to be submitted by	April 30, 2017
Venue	May 29 - June 2, 2017

MAIN TOPICS

Computer graphics	Rendering and animation	Shape analysis
Scientific visualization	Virtual reality& haptic systems	Shape modelling & retrieval
Medical visualization	Medical imaging	Interpolation & Approximation
Computer vision	Graphical interaction	GPU &Parallel graphics
Image processing	Computational photography	CAD, CAGD and GIS systems
Pattern recognition	Data compression for graphics	Geometry Algebra application
Graphical HCI	Image based rendering	Related mathematics topics
Geometric modelling	Physically based modelling	

PUBLICATIONS

WSCG proceedings will be published in the Computer Science Research Notes (CSRN), ISSN 2464-4614. The best papers will be published in the Journal of WSCG, ISSN 1213-6972. The Journal of WSCG and CSRN will be sent for indexing to SCOPUS, Thomson Reuters/WoS-ISI, INSPEC etc. for citation indexing and other purposes. Recent publications available at Digital repository http://wscg.zcu.cz/DL/wscg_DL.htm since 1992
